

Who or What is the Lakes Region church of Christ?

Introducing your local
congregation

We are a local congregation which holds the Bible in the highest regard, striving to follow Jesus commands to show His love to those around us. What this means is that we do not hold any human creeds of doctrines, but instead look directly to the Bible (which contains Jesus teaching) as our guide.

The congregation is made up of people from all walks of life, which includes families with young children, teens, young adults, and seniors who all work together in unity. We reach out to those around us because we believe that Christ can make a difference in others the way He has made a difference in our lives!

If you have a Bible and are interested in this idea take a look at the Gospel of John 14:23-24, and James 1:26-27. If you would like a Bible let us know and we will provide one at no charge and without obligation. Please feel free to contact us if you have any questions or would just like to talk to someone.

Summer youth program!

We at the Lakes Region church of Christ have organized a series of events for the youth of various ages. Throughout the summer of 2017 we will meet and provide workshops with the goal of teaching basic life skills in conjunction with teaching how those skills connect to the Bible.

The purpose of this is two-fold:

- 1) to show how the Bible can positively impact our day to day lives, and
- 2) to help young people grow to be productive capable adults.

Please feel free to contact us if you have any questions. More information will be posted on our Facebook page and website as it becomes available.

We look forward to seeing you soon!
